### Why choose us?

For more than 60 years, the Dairy Queen system's recipe for success has been simple. The founders of the Dairy Queen system were men and women who introduced a new kind of dessert treat.

The DQ story began with a 10 cent sale of a then unnamed product on August 4, 1938, in Kankakee, Illinois. In December 1941, there were less than 10 Dairy Queen. By 1950 it had grown to 1,446 and then to 2,600 by 1955. Today, the Dairy Queen system is one of the largest fast food systems in the world with more than 5,900 restaurants in the United States, Canada and 20 foreign countries.
